LIVE VIDEO COUNSELING AND VIRTUAL SUPPORT GROUP SESSIONS

CISCO WEBEX

GO TO MEETING

HIPAA compliant chat and video calls

Healing Waters Counseling offers Live-Video Counseling that includes audio and visual capabilities. The clinicians can share their computer screen to review homework assignments, read material and conduct live therapeutic interventions.

The Live-Video Counseling can take place from wherever you are using any device i.e., computer, cell phone, tablet, or iPad (Android and/or Apple devices).

Links to **gotomeeting** or **cisco webex** will be provided by your clinician prior to the start of the counseling session or virtual support group.
